

Military & Family Life Counseling (MFLC) Program: Full Time Rotational Positions

Magellan Health is seeking licensed clinicians to work as Adult, Child and Youth Behavioral and School Counselors with the Military & Family Life Counseling (MFLC) Program at various military installations throughout California and across the United States. Candidates must be licensed to work at the independent practice level in the state(s) they wish to work in *Military spouses are eligible to work in **most** states under their current license for up to 1 year

Job Summary:

Primary responsibility of providing the full breadth of MFLC counseling services to military service members and their families at military installations. These services include non-medical, short term, walk around counseling, training/health and wellness presentations, provision of health fairs, and consultation to installation command regarding behavioral health issues. The counselors work closely with the installation and military branch Points of Contact (POCs) to assure that the program is provided within scope and meets the needs of the installation.

Requirements:

- Ability to prove US Citizenship
- Education: Master's or Doctoral degree in Social Work or related field
- Licensure: Must be licensed to work at the independent practice level

To apply, please visit www.magellanhealth.com, click on 'Careers', click on 'Job Search', and search for the military installation you are local to (within 50 miles of) or willing to relocate to be local to. If you do not see the installation you are looking for, please apply to job requisition R00000019002.

***Relocation assistance up to \$10,000 may be available**
