

Position Title: Intensive Psychiatric Case Manager

Organization: Jewish Family Service of San Diego

Position Type: Full-time (37.5 hours per week), Non –exempt

Salary: \$22-24/Hour

Standardized Benefits: Benefits for this position include a 401(k) plan, medical, dental and vision coverage, flexible spending accounts, life insurance and generous holiday benefits.

Position Overview:

The Intensive Psychiatric Case Manager will have a critical role in the continuum of mental health services and provide necessary support for a caseload of 12-14 Jewish adult clients living with serious and persistent mental illness. The Case Manager will meet with clients mostly in their homes or at a neutral location in the field, coordinating appropriate services and providing ongoing support in order for each client to attain and maintain independence and quality of life. The Intensive Psychiatric Case Management program is client centered, outcome oriented, and time specific, with clients completing in three months to one year.

Position Requirements:

Qualified Candidates Must Possess:

- A Master’s Degree in a human service field (MSW preferred)
- Previous experience providing case management services
- A minimum of 2 years’ experience working with chronically mentally ill individuals and their families
- Extensive knowledge of San Diego mental health resources
- Skill in crisis intervention and suicide assessment procedures
- Knowledge of best practices for individuals with serious and persistent mental illness (i.e., CBT and DBT)
- Firm knowledge of psychosocial assessment and diagnostic skills
- Excellent judgment and instinct, especially with working autonomously with a vulnerable population of clients

- Knowledge of the Jewish community (preferred)
- A reliable vehicle and a clean driving record
- Ability to work independently and maintain professional boundaries
- Strong written and verbal communications skills

Responsibilities include:

- Conducting assessments for appropriateness for the program, and reassessments to gauge client progress
- Making weekly home visits, with approximately 2 hours per week allocated to each client
- Providing on-going case management and supportive services
- Transporting and accompanying clients to appointments, as needed
- Ensuring client's access to any and all public benefit programs for which they are eligible
- Working with the client to formulate and execute realistic and time specific personal goals
- Advocating for clients' access to medical, psychiatric and other health services
- Monitoring of medication compliance
- Maintain and produce outcomes and statistics for program funding
- Other duties assigned by a supervisor
