

Military & Family Life Counseling (MFLC) Program: Full Time Rotational Positions

Magellan Health is seeking licensed clinicians to work with the Military & Family Life Counseling (MFLC) Program at numerous military installations in California and across the United States and overseas. Candidates must be licensed to work at the independent practice level in the state they wish to work in- In the state of California, we currently accept PSYCH, LCSW, LMFT, and LPCC licenses *Military spouses are eligible to work in **most** states under their current independent-level license for up to 1 year

Job Summary:

Primary responsibility of providing the full breadth of MFLC counseling services to military service members and their families at military installations. These services include non-medical, short term, walk around counseling, training/health and wellness presentations, provision of health fairs, and consultation to installation command regarding behavioral health issues. The counselors work closely with the installation and military branch Points of Contact (POCs) to assure that the program is provided within scope and meets the needs of the installation.

Requirements:

- Ability to prove US Citizenship
- Education: Master's or Doctoral degree in Social Work or related field
- Licensure: Candidates must be licensed to work at the independent practice level in the state they wish to work in
- Advanced knowledge of brief therapy, solution-focused counseling methods, and providing consultation
- Excellent organizational skills, comfort with public speaking and presentations, ability to manage and structure time and activities independently, and flexibility in responding to high-profile requests and emergent situations
- Prior military service or a military family member, strong familiarity with military culture, and/or prior services as an MFLC or CYB/CYBS counselor are preferred
